TSS Consultancy Pvt Ltd

Founder & CEO TrackWizz

18 years 2 months

SALARY: 30L

TSS Consultancy Pvt Ltd is a technology solutions provider specializing in compliance and operational products for the financial industry, including banks, stock exchanges, and brokers.

Executive Summary

Sagar Tanna is approximately 23 years old and located in Mumbai, Maharashtra, India. He is currently the Founder and CEO of TrackWizz, with past roles that include involvement in multiple domain registrations. He holds certifications from various platforms, but specific details on these are not provided. Sagar is active on numerous platforms such as Teams, Google, Adobe, and Pinterest. His accounts have been involved in several data breaches, notably on platforms like Zomato, MyHeritage, and Zoomcar, exposing data classes including email addresses, passwords, and user information.

Disclaimer: The information presented in this report has been gathered from publicly available internet profiles. While we strive for accuracy, some details may be incomplete, outdated, or self-reported. Salary figures are based on public sources and are approximate estimates. This report is intended for general reference purposes only and should not be considered verified or official.
